

## DTP BACKUP AS A SERVICE (BAAS):

# SECURE CLOUD-BASED BACKUP AND DISASTER RECOVERY FOR MICROSOFT OFFICE 365.

Your Office 365 emails and documents are safe and protected with DTP BaaS. In partnership with iland, DTP's secure cloud Backup as a Service (BaaS) enables you to protect, locate and recover more information in less time, across all platforms, locations and storage environments from a central management location.

### YOUR DATA IS PROTECTED.

DTP's secure cloud backup for Office 365 is an "as-a-Service" solution that provides complete backup and recovery for your data including that on Exchange Online, Share-Point Online and OneDrive for Business.

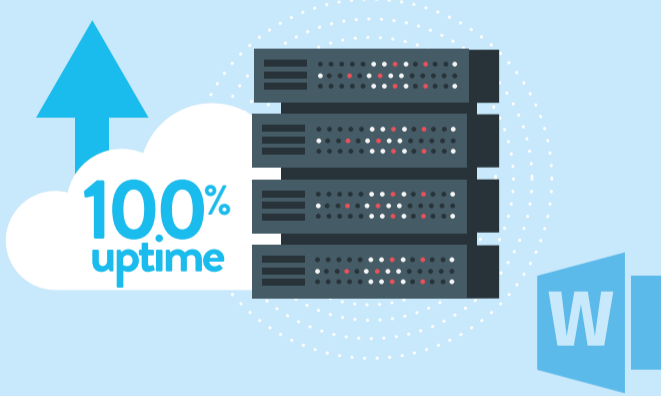

### PREVENT THE UNEXPECTED.

- Cover and protect against:
- Accidental deletion
  - Retention policy gaps and confusion
  - Internal security threats
  - External security threats
  - Legal and compliance requirements
  - Management of hybrid email deployments and migrations to Office 365

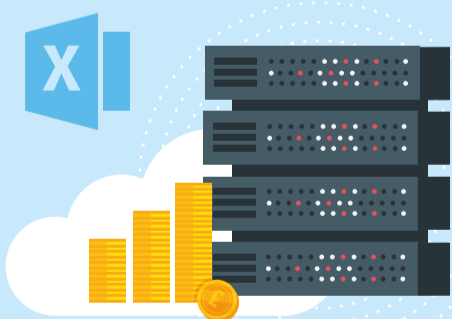

### PEACE OF MIND.

- Daily backup to iland's secure cloud
- Unlimited storage quota
- Unrestricted retention policy
- 100% uptime guarantee

### YOU'RE IN GOOD HANDS.

- Proceed with confidence, from ease of implementation to on-going support:
- Flexible recovery and restoration
  - Simple, cost-effective pricing
  - Exceptional customer support
  - Industry leaders
