

# Force for Good Financing Program

Sustainable IT is a journey and HPE Financial Services is rewarding companies who are leading the way

**IT sustainability can be a catalyst not only for cost and energy optimization, but also for businesses and brand differentiation. Now is a critical time for business to simplify IT economics and bolster sustainability-aligned initiatives. HPEFS wants to help by rewarding organizations with a proven record in sustainable business practices.**

**For more details on the Force for Good Financing Program, contact your Account Manager**

<sup>1</sup> Eligibility is determined by Dun & Bradstreet ESG Intelligence's ESG Rankings (May and June 2022), CDP, Sustainalytics, and Science Based Targets, and other factors.
